Kind reference is invited to the instructions in para 3 (b) of G.O. No: E.A 2093-172 E.A 14-21-7 & 28.11.21 according to which ~~Vacancies~~ to be filled up by promotion superior qualified Candidates from class 1, 2 or 3 may be promoted in vacancies to be filled up by promotion. This order read with the circular memorandum No: 1167-227 C.R.B 2-26-28 dt 27.8.26 seems to lend support to the interpretation that Vacancies of class 4 to be filled up by promotion, the Vacancy on the lowest pay in the same class viz Rs 45/- should be made available for direct recruitment. Where if this view is accepted, a vacancy carrying a salary not exceeding Rs 45/- has to be made available for direct recruitment in the present case

I have understood the rule to be that in the first two vacancies a vacancy on the minimum pay of the class should be advertised & that in the 3rd vacancy promotees from class I to 4 are permissible & in this (3rd case commonly termed promotion vacancy) even if it is one in IV class a vacancy in class I alone may be advertised. The promotion vacancies are at present few enough and if the ~~promotion~~ interpretation above proposed is adopted there will be immediate stagnation in each class of appointments to the detriment of the public services.

I think Mr D.M's note of 17th August 1926, if it is to bear the interpretation put on it, should be withdrawn.

Perhaps the matter might be considered at a meeting of the Board.

Will keep CRB's brief by him in person -

I think the meaning is quite clear.

The vacancies to be filled by promotion are only the vacancy or the lowest pay in the next class that has to be advertised, & in direct recruitment vacancies, the vacancy or the lowest pay in the class in which the vacancy occurs has to be advertised. I don't think any further memo is needed.
